Remarks

Certification

The signatures of Tradespersons and Supervisors are to be in accordance with MAM-P, Chapter 2.4.

Tradespersons

I certify that I have:

- Completed the work detailed against which I have put my initials.
- Raised Maintenance Work Orders for each fault entered in the 'Remarks' block.

Rank and Name	Initials (as appropriate)		Signature
	a	b	

Supervisors

I certify that:

- I have supervised and/or satisfied myself as to the quality and completeness of the work detailed.
- The Maintenance Work Orders raised have been registered, completed and passed to the Co-ordinator.
- Relevant details apart from Aircraft No. and Date of Issue have been entered on the Aircraft Battery Record Card (MOD Form 780).
